

### [Responsible Data Use: Data Restrictions](#) [1]

Submitted by erinmr on Wed, 2013-03-20 11:52 **Overview:**

In our discussions about restrictions that can be placed upon your data, we will first provide some background and context for the topic, then discuss its relevance to data management. We will give you some idea about what restrictions are often needed for data, commonly used methods to restrict data and how to share or redistribute restricted data. Finally, we will talk about how archives deal with restricted data.
