

[ArcGIS Online as Linked Data](#) [1]

Submitted by erinmr on Sun, 2014-01-05 11:05 **Event:** [Winter Meeting 2014](#) [2]

Abstract:

This demo shows some of the latest work from the Esri Applications Prototype lab (<http://www.youtube.com/user/PrototypeLab/videos> [3]), featuring derived information and future possibilities from creating linked data relationships from ArcGIS Online content.
