

[Providing Access to Your Data: Tracking Data Usage](#) [1]

Submitted by superadmin on Sat, 2012-12-01 08:36 **Overview:**

This is the Federation of Earth Science Information Partners Data Management for Scientists Short Course, Section: Local Data Management - Providing Access to Data: Module: Tracking Data Usage. In this module, we will give you some background and context for this topic, and then describe its relevance to data management. We'll discuss what data usage can tell you about your data and where you can find usage information. We'll also briefly discuss the advantages of tracking data citations.
