**Session Type:** [Breakout](#) [3]

**Room Location:** [Marriott Foyer](#) [4]

**Abstract/Agenda:**

When is the last time you were in a fun telecon? The last time you looked forward to that slot in the day and said, "Boy, I can't WAIT for that telecon to start! Hot-diggety!"

If your answer is: "Never", or "Before the turn of the century", please help us brainstorm a way to make telecons fun, because we sure do a lot of 'em. And if your answer was "last week", we need to know what your secret is!

This will be an informal discussion over lunch, though we may break out to a room if we get up a good head of steam.
